### **Earth Day: Recycled Art Design (RAD) Contest Introduction**

Wait, don't throw that away! The Buffalo Bill Center of the West invites you to our first ever RAD contest—otherwise known as the Recycled Art Design Contest. This competition is to promote conservation through a unique art exhibit featuring RAD projects in honor of Earth Day 2019.

This new community opportunity is in addition to the already very popular recycled car race. Enter one or both!

### **Guidelines and Requirements**

Artists' projects are unique artworks specifically for the Buffalo Bill Center of the West Earth Day event. Artists of all disciplines and skill levels are encouraged to submit their projects. Individuals or families may submit projects.

Artists' projects must...

- A. Be constructed of cleaned recycled materials.
- B. The projects must be accompanied by the necessary art label information, including:
  - i. The artist's or family's name (i.e. Tony Stark or The Stark Family)
  - ii. The project's title
  - iii. The list of recycled material used
- C. Be of a size so that ONE artist or individual can transport it to and from the Buffalo Bill Center of the West; art will be displayed on a table.
- D. Be complete upon arrival at the Center; any work on the project after its arrival will be grounds for disqualification.
- E. Be submitted to either Liz Bowers or Jesi Bennett.
- F. Be submitted by Friday, April 12, 2019.

All projects must be family appropriate and relate to the theme of Earth Day. The Buffalo Bill Center of the West will not be responsible for the care or protection of artworks. The Center will not be responsible for any lost or stolen items.

Projects to be judged and voted on by community vote. Winners will be announced at the Buffalo Bill Center of the West Earth Day Event on April 27, 2019.

All projects to remain on exhibit until May 6. All submissions may be picked up between May 6–10. Final date for retrieval is May 13. Any art not removed by May 13 will be recycled.
