

# cody culture club

IF YOU LOVE CODY, YOU'RE PART OF THE CLUB!

## **JANUARY 12 @ Holiday Inn - Cody**

**5:30-7:30 pm | Valley Ranch and the Yellowstone Backcountry**

Park County Archives Curator Brian Beauvais uses historic photographs to recount the annual, five-week pack trips from Larry Lorum's Wyoming dude ranch on the upper South Fork into Yellowstone National Park and the interesting logistical challenges they endured.

## **FEBRUARY 9 @ Buffalo Bill Center of the West**

**5:30-7:30 pm | Buffalo Bill, Butteri, and the 1890 Bucking Contest in Rome**

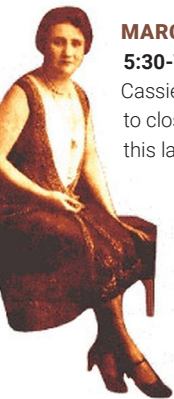

Buffalo Bill's 1890 show in Rome involved a series of bucking contests between his cowboys and local Italian cowboys, or butteri. University of Wyoming professor Renee Lagreid's research shows the outcome is still remembered in Italy today as a metaphor for divisions between the New World and the Old.

## **MARCH 9 @ Cassie's Supper Club**

**5:30-7:30 pm | History of Cassie's**

Cassie's Supper Club got its start as a popular nightclub with dancing and liquor run by a former Cody madam who'd been forced to close her downtown establishment. Recent owner Melanie Singer and Park County Archivist Robyn Cutter share more about this lady of the night and her beloved local landmark!

## **APRIL 13 @ Buffalo Bill Center of the West**

**5:30-7:30 pm | Living Land: Insights on Memory, Society and Sacred Space**

Plains Indian Museum Curator, Dr. Gordon Ambrosino, discusses his past and current research, collaborative exhibition development with Native communities, repatriation work and the collective impact on his upcoming projects at the Center.
