- Assist with loan and traveling exhibit logistics under the direction of the Registrar, including condition reporting, and packing and shipping arrangements.
- Assist with the creation and management of collections records and documentation, both physical and digital.
- Process incoming loans: unpack, photograph, and condition objects, enter data into database, alert Conservator of any condition concerns/issues.
- Assist with annual inventories of Permanent Collection and loans in conjunction with curators and other Registration staff members.
- Complete collections data entry and data cleanup projects in the Center's collections management database, currently Argus.
- Understand and help enforce the Center's Collection Management Policy and Procedures.
- Complete special projects and basic research.
- General administrative duties: filing, copying, running errands, data entry.
- Keep apprised of approved and current registrarial and collection management standards and basic conservation guidelines for the care and handling of museum objects.

Competencies:

- Experience working in a registration or collections management position.
- Experience using complex collections database applications, Argus preferred.

- Demonstrated knowledge of principles and procedures of registration and collection management.
- Understanding of proper documentation for acquisitions and loans.
- Excellent organizational, writing, proofreading, and analytical skills, with close attention to detail.
- Excellent communication skills and ability to work in a team environment.
- Ability to travel domestically and internationally.
- Ability to reach, bend, stoop, and occasionally lift up to 50 pounds.

Supervisory Responsibilities:

- Interns and volunteers.

Required Education and Experience:

- A Master's degree in museum studies or a related field is preferred. A Bachelor's degree from accredited college or university, with coursework in museum studies, art, art history, history, or related field, is required.
