IF YOU LOVE CODY, YOU'RE PART OF THE CLUB!

JANUARY 11 @ Cody Regional Health - Pitchfork Room

5:30 – 7:30 pm | Rx for Curiosity: Exploring Big Horn Basin's Medical History

From crude frontier medicine to the creation of full-fledged hospital facilities, traveling doctors and makeshift infirmaries were often the only options for many early residents. Join Park County Archivist Brian Beauvais, Flight Paramedic Tom Fitzsimmons and retired nurse Pat Bragg for a look at the evolution of medical services in the Big Horn Basin.

FEBRUARY 15 @ Buffalo Bill Center of the West

5:30 – 7:30 pm | Ungulate Migrations of the Intermountain West

Dr. Kristin Barker, research coordinator for the Beyond Yellowstone Program, shares insights from her fieldwork on the large mammals that live in and move through our region. Her research primarily focuses on migration ecology, predator-prey dynamics, and anthropogenic influences on animal behavior.

MARCH 14 @ Buffalo Bill Center of the West

5:30-7:30 pm | Rock Art of the Bighorn Basin

Plains Indian Museum Curator, Dr. Gordon Ambrosino, will provide an overview of the Bighorn Basin's rock art, share insights on how it compares to other significant rock art regions in the Western Hemisphere, and outline forthcoming plans for exhibitions, research, and community engagement.

APRIL 11 @ Cody Cattle Company

5:30 – 7:30 pm | Western Music

Join us for a fun night of old country western music history and entertainment featuring Ryan Martin, a renowned guitarist, and lead band member of the Triple C Cowboys.
