

FREE

ADMISSION

FOR PARK COUNTY WYO KIDS (AGE 0-17)

The Buffalo Bill Center of the West now offers free admission for all youth in Park County, Wyoming—from toddlers through high school students! This ongoing program opens the door to rich museum experiences and hands-on learning for young people across the region.

One accompanying adult per group also receives free admission to support and guide the visiting youth. The program runs throughout the year and encourages curiosity, discovery, and connection to the West's stories and heritage.

Generous support from the Frère family makes this program possible.
